## Secure | Personal Storage

A comprehensive range of lockers with a superior finish designed and built to last. Meets the testing requirements of the British Standard for Clothes Lockers BS4680:1996 'Standard Duty'.

All standard steel lockers now include improved security features

- Semi-concealed hinges for security and clean line
- Door stiffeners for added strength and security
- Vents in top and bottom for improved air circulation
- Supplied with key operated deadlock and 2 keys as standard

We offer the patent protected BioCote anti-bacterial finish as standard on all internal and external surfaces of our lockers. BioCote inhibits the growth of potentially dangerous bacteria and fungi, such as Salmonella, MRSA and E. Coli.
